22002VIC Sustainable Painting PRACTICES

The innovative 22002VIC Sustainable Painting Practices course has been designed to provide painters with the relevant information, knowledge and skills, now required to meet sustainability requirements for painters in South Australia.

Course information is based on the latest industry information and recommendations from APAS (Australian Paint Approval Scheme).

Key Topics

- ▶ *Green Star rating*
- ▶ *Eco friendly / low VOC products*
- ▶ *Sustainability*
- ▶ *Life cycle assessment*

The sustainable painting practices course is owned by Sustainability Victoria and is open to painting contractors, registered tradespersons and apprentices currently working in the building and construction industry. Upon successful completion of the course, graduates will receive a Statement of Attainment and will also be accredited on the Master Painters Australia SA Association website under EnviroPainter (if members of the Association at time of course completion.)
